WHERE FROSTED DAYS MEET FOLKESTONE'S MAGIC

Winter has arrived in Folkestone like a whispered promise of soft dawns, twinkling lights along the harbour, and a sea that shimmers under winter skies. At The View Hotel, this is a season for slowing down, for laughter that lingers over candlelit dinners, and for the warm embrace of being somewhere you truly belong. Whether you're seeking a quiet romantic escape, a family gathering full of smiles and stories, or a solo traveller craving the comfort of a welcoming brandy, we have just the magic for you.

WHERE FROSTED MORNINGS MEET STARLIT SEAS

FOLKESTONE'S WINTER WONDERLAND

FOLKESTONE
ISN'T JUST A
BACKDROP; IT'S
ALIVE WITH
FESTIVE ENERGY

The Festive Marketplace at the Harbour Arm glows with Christmas lights, local crafts, and the scent of mulled wine every weekend until Christmas Eve. The Creative Quarter sparkles with festive windows, galleries showcase seasonal artistry, and the Pantomime "Peter Pan" at Leas Cliff Hall promises swashbuckling adventures from December 12 - 31.

And then... comes the crescendo, New Year's Eve at The Cliffe Lounge Bar & Kitchen. Think clinking glasses, a DJ spinning into the night, festive cheer, and a countdown by the sea with the waves as your backdrop. Dance, toast, and celebrate the promise of a new year with style, warmth, and just a touch of mischief. It's our very own winter climax, a night to remember and the perfect way to ring in 2026.

For those seeking quieter celebration, Folkestone offers elegant and lively options: local pubs and restaurants from The Mayfly to The Tasting Rooms host festivities that keep the spirit of the season alive.
